***Village of Villa Park Traffic and Safety Commissioners are bcc'd on this email.***

Good morning Traffic and Safety Commissioners,

In reference to the subject agenda item, commissioners had requested the schedule for fall soccer games at Twin Lakes Park. Those games are expected to take place on Saturdays from September 7 through October 26, and from the hours of 8:00 am to 2:00 pm. This information will also be included in the agenda packet for the 09/03/2024 meeting, which should be posted sometime this afternoon.

Thanks,

**Kevin L. Mantels, P.E.**  
Assistant Village Engineer

**RE: Potential New Parking Restrictions on Princeton Avenue South of Belden to be Discussed at Next Villa Park Traffic and Safety Commission Meeting**

Dear Resident:

The next regularly scheduled meeting of the Village of Villa Park’s Traffic and Safety Commission is expected to include discussion on an agenda item pertaining to the potential enactment of new parking restrictions on North Princeton Avenue south of Belden Avenue.

The public is invited to attend the meeting and provide comments prior to the commission’s discussion. **The commission’s next meeting is scheduled for Tuesday, August 6, 2024, at 8:00 p.m. in the Village Board Room on the second floor of the Village of Villa Park Village Hall, located at 20 South Ardmore Avenue.**

Members of the public who would like to provide comments but are not able to attend the meeting may submit those comments by email to [trafficandsafety@invillapark.com](mailto:trafficandsafety@invillapark.com) no later than Tuesday, August 6, at 4:00 p.m.

Please note that this discussion pertains only to “on-street” parking restrictions, and not to the marked perpendicular parking spaces adjacent to Twin Lakes Park. The marked parking spaces are not part of the discussion and will remain unaffected.

Additional information about the village’s Traffic and Safety Commission may be found on the village website at <https://www.invillapark.com/273/>

**Cc:** Mantels, Kevin <kmantels@invillapark.com>

**Subject:** Traffic and Safety Commission Meeting - Item No. 900 Parking Restrictions on Princeton Avenue and Belden - Homeowner Comments

Hello,

My name is Rosa Botello, homeowner of 1036 N Princeton Avenue. We are unable to attend the meeting, but wanted to share our comments. We're also concerned with the number of cars parked in our neighborhood - specifically during Villa Park Soccer League Season.

**Agree With:**

- Adding "No Street Parking" signs (on park side, not residential side)
- Restricting parking and limiting to ONLY Twin Lakes parking spaces

**Do NOT Agree with:**

- Adding more parking spaces
  - There is a parking lot on the southeast side of the park (on Ardmore Ave)
  - Do not want to impact the local ecological system (No tree removal, vegetation removal, etc)
    - This also negatively impacts the appeal and value of our neighborhood

**Recommend:**

- Including a notice to parents when registering children for Village Programming (aka Soccer League) to be respectful of residential parking restrictions
- Sending a reminder to homeowners/residents that restriction applies to front easement as well.
  - Latest Renters at 1040 N Princeton parked on both sides of the street, including overnight parking
- Parking Enforcement should monitor this during high traffic/parking problem times (Ex: Kid's Soccer League - Late April through Early June)

Looking forward to hearing what actions the commission will take!

Thanks,

Rosa Botello

**Sec. 14-207. No parking zones.**

(a) Except as hereinafter provided, no person shall park a vehicle on either side of the street on any street less than nineteen (19) feet in width as measured in a straight line, perpendicular to the curb, from the pavement side on one (1) curb to one (1) pavement side of the opposite curb.

(1) Parking is allowed on both sides of Grant Avenue from Washington Street south to the dead end terminus of Grant Avenue.

(b) No person shall park a vehicle on one (1) side of the street on any street less than twenty-nine (29) feet but at least nineteen (19) feet wide, measured as in paragraph (a) above. The no parking side is to be designated as the fire hydrant side. If no clearly defined fire hydrant side exists, the traffic and safety commission will recommend the no parking side; however, parking is allowed on both sides of the street on streets twenty-nine (29) feet and over in width, as measured in paragraph (a) above.

# Memo

**To:** Commission Chairs and Staff Liaisons  
**From:** Matt Harline, Village Manager  
**Cc:** Julie Settles, Finance Supervisor  
**Date:** August 21, 2024  
**Re:** Guidance for 2025 Annual Budget preparation

In an effort to get a good start on the creation of the 2025 budget, we are starting the process now. This memo provides guidance, timelines, and deadlines for submitting and reviewing information for preparation of the 2025 Annual Budget for the Village of Villa Park. This budget covers the period January 1, 2025 to December 31, 2025. A copy of the current budget calendar is also attached with this memo in the same email. This memo should be shared with your commission members. Your budget request needs to be adopted by a motion and vote in a public meeting of the Commission. The critical deadline to remember is:

- **Submission of Commission Budget Worksheets are due by Friday, September 27, 2024, at 1:00 p.m.**

## Budget Process

As per Resolution #24034 The Board of Trustees have approved the following guidance for Commissions. “Commission budgets are approved by the Board through the annual budget adoption process. The Village Manager (or his/her designee) is responsible for making any expenditures necessary to implement programs in a Commission’s budget within parameters adopted by the Board and Village Manager. The Village Manager shall implement proper accounting and reimbursement procedures as necessary. The Village Manager has the authority to approve expenditures up to 50% above the total funds budgeted for any Commission, not to exceed \$2,000 total increase without Board approval.”

The staff liaison, and the Department Head of the staff liaison should be involved in this budget process to provide guidance and assistance. **The budget request and other text information is due Friday, September 27, 2024, at 1:00 p.m.** Please email the submission to the Village Manager, Matt Harline at [mharline@invillapark.com](mailto:mharline@invillapark.com) and copy the Finance Supervisor, Julie Settles at [jsettles@invillapark.com](mailto:jsettles@invillapark.com).

## Instructions

To provide clarity we have provided column-by-column instructions. Please submit the official request for your Commission by submitting the spreadsheet attached to this email with this memo. If you have additional narrative, please submit it in the same email with your spreadsheet either, in an attached letter or just in the body of the email. Please make the subject line of the email **2025 Budget Request of the \_\_\_\_\_ Commission**, filling in your Commission’s name in the blank. This will make the emails easier to find. If you want to make no changes, you can simply reply, “No Changes” in the body of your response to this email, after your Commission has met and voted on the unchanged budget.

**GL Account:** All of the requests for your Commission are one line item/account in the Village budget. This number is the same year to year.

**Commission/Item Description:** Please include a name for any subaccounts or sub-line items (e.g. printing and postage). If the amounts and descriptions do not match your request or what your Commission wanted to have approved for 2024, there is no need to correct them at this time. However, it may be useful to use these subaccounts/sub-line items in your budget request, especially if you are requesting a higher amount in 2025. You may add additional rows, if necessary, but make sure the totals are kept at the top.

**2023 Actual:** This is the amount that was charged to the line item (the entire Commission expenditures) in 2023.

**2024 Budget:** This is the amount that was approved in the 2024 Annual Budget.

**2024 Year to Date (6 months):** This is the amount of expenditures recorded as of June 30, 2024. If you aren't sure if all your expenses have cleared, please ask your staff liaison to get updated numbers.

**2024 Projected Total:** This is likely to be equal to your budget allocation for 2024. If you can provide an accurate projection that is different from that number, you may enter it in the column below the amount recorded.

**2025 Budget:** This is your Commission's 2025 Budget request. The top shaded box sums the columns below. Please don't type over that amount. Please enter the amounts in the boxes below and they will be summed at the top.

**New major program initiatives**

Any new programs/purchases or increases in existing programs/purchases that will require new expenditures of over \$500 should be described in a memo/email and sent in with your requests. If you have questions, please coordinate with your staff liaison.

## MEMORANDUM

**TO:** Traffic and Safety Commission  
**FROM:** Kevin Mantels, Assistant Village Engineer  
**DATE:** September 3, 2024  
**SUBJECT:** Item No. 905 - Pedestrian Signage and High-Visibility Crosswalks at St Charles and Ardmore

---

**RECOMMENDED ACTION:**

**BACKGROUND:**

**DISCUSSION:**

R10-15a

Support:

- 07 Chapter 4J contains information on pedestrian hybrid beacons.
- 08 Chapter 4L contains information on rectangular rapid flashing beacons.
- 09 Section 4S.03 contains information regarding Warning Beacons to provide active warning of a pedestrian's presence.
- 10 Section 4U.02 contains information regarding In-Roadway Warning Lights at crosswalks.
- 11 Chapter 7C contains information on school crosswalks.
- 12 Chapter 7D contains information regarding school crossing supervision.
- 13 Section 9E.13 contains information on crosswalk markings for shared-use path crossings.

**Section 3C.03 Design of Crosswalk Markings**

Support:

- 01 Section 3B.19 contains information regarding placement of stop line markings and yield line markings near crosswalk markings.
- 02 Crosswalk markings are classified as either transverse line or high-visibility. Transverse crosswalk markings consist of two transverse lines. High-visibility markings consist of longitudinal lines parallel to traffic flow with or without transverse lines. Figure 3C-1 presents crosswalk marking designs.

**Standard:**

- 03 **Crosswalk markings shall be white. When used, transverse lines shall not be less than 6 inches or greater than 24 inches in width.**

Support:

- 04 The allowable upper limit approaching 24 inches for the width of the transverse lines is normally applied where no stop or yield line is used in advance of the crosswalk or when approach speeds exceed 35 miles per hour.

**Standard:**

- 05 **Except as provided in Paragraph 6 of this Section, the minimum width of a marked crosswalk shall be 6 feet.**
- 06 **At a non-intersection crosswalk where the posted speed limit is 40 mph or greater, the minimum width of the crosswalk shall be 8 feet.**

**Figure 3C-1. Crosswalk Markings**

\* Minimum crosswalk width shall be 8 feet where the posted speed limit is 40 mph or greater at a non-intersection crosswalk.

## MEMORANDUM

**TO:** Traffic and Safety Commission

**FROM:** Kevin Mantels, Assistant Village Engineer

**DATE:** September 3, 2024
