HISTORIC PRESERVATION AWARD

VILLAGE OF VILLA PARK

HISTORICAL PRESERVATION COMMISSION

Application: HP-26-01

GENERAL INFORMATION:

Every year the Historical Preservation Commission grants Historic Preservation Awards to owners of structures that have historical merit and are important to the Village's heritage. Villa Park is fortunate to be rich in diverse and historic architecture that gives the Village its unique character. To qualify for the Historic Preservation Award, the structure must be at least 50 years old, be significant in history (prominent owner, architect, or event), have a defined architectural style, or be a kit home (Sears, Aladdin, etc.). Anyone can nominate a home or structure for this award, however, owner consent is necessary for receiving this award. The physical award is a plaque, which is expected to be displayed on the exterior of the structure in a prominent location.

HISTORIC PRESERVATION AWARD

VILLAGE OF VILLA PARK

HISTORICAL PRESERVATION COMMISSION

Application: HP-26-____

BRIEF PHYSICAL DESCRIPTION OF STRUCTURE:

138 S Yale is a classic bungalow style with typical arts and crafts style interior woodwork, built ins, and design elements. Both the house and the garage have mainly original elements including the front exterior door and all front windows, front porch, all wood siding, all main floor interior woodwork, doors, and fireplace. Copies of the original deed show that the original house was built by Gertrude G. Henson. We have copies of all deed transfers since 1915.

BRIEF HISTORICAL/ARCHITECTURAL SIGNIFICANCE OF STRUCTURE:

The house was built early on in 1915 in what was then known as the Village of Ardmore, Illinois. Amazingly, the exterior of the house was covered over decades ago with asphalt siding which served to protect the original cedar siding on the house. Similarly, at some time, the front porch was enclosed which protected the original front door and front windows, all of which contain their original glass.

PERSONAL HISTORY WITH THE HOME:

How long have you lived here? Have you made any improvements to the home? Do you have a personal connection with Villa Park?

We moved in 2016. The front porch was restored to the original open porch & the shingled siding was removed, exposing the original cedar siding. HVAC systems were modernized, & side & back windows were replaced. All original main floor woodwork, doors, floors, built-ins and fireplace have been retained & restored. We painted the exterior to the era and installed new gardens circa 1915.

APPLICATION SUBMITTAL REQUIREMENTS
